- All toilets are water saving, low flush design.
- Shut-off valves for all toilet water supply lines.
- **Under sink shut-off valves for all sinks.**
- Mirrors in all finished bathrooms. Sizes determined by builder.
- Privacy locks on all bathroom doors.

COVENTRY
OF STRATFORD

The Towns of Coventry By Forest Park Homes

Platinum Series Quality Appointments

LAUNDRY AREA

- Hot and cold taps for washer and drain all contained with-in a recessed wall box.
- Heavy duty wiring as well as an exhaust pipe for the clothes dryer.
- A single basin plastic laundry tub on legs complete with a chrome faucet will be located in the basement.

HIGH QUALITY ELECTRICAL, HEATING & PLUMBING FEATURES

- **200 amp. electrical service** with breaker panel and reliable copper wiring throughout. Electrical panel location determined by builder and electrical contractor.
- Electrical receptacles throughout as per to electrical code requirements.
- **Programmable Smart Control** Thermostat with colour touch screen to control both furnace and ERV from your phone, PC or tablet from virtually anywhere, for optimum home comfort. Location determined by builder.
- **White Decora** style switch plates & receptacles throughout finished areas.
- **Motion activated light switches** in front foyer and laundry room areas. When your hands are full with groceries, cellphones, keys, laundry, newborns etc. there is no need to free up an arm in order to light up your room. The light will also conveniently shut off all by itself within a short time after you exit the area.
- Exterior weather proof electrical receptacles at the front & rear of home, both of which are connected to a ground fault interrupt safety circuit.
- Minimum two electrical outlets in the garage, including ceiling outlet with a rough-in for a future automatic garage door opener.
- Two electrical outlets in the basement, one at the circuit breaker panel if located in basement & the second beside the water heater.
- Two **Cat 6 Ethernet Cable rough-ins**. Locations determined by builder.
- Electronic door chime at front entry.
- Smoke detector in every bedroom and on each floor, including the basement - all are interconnected and include battery backup for your families safety.
- Carbon monoxide detector installed on all bedroom levels as per Ontario Building Code
- Our **quality lighting package** includes ceiling fixtures in the foyer, hallways, kitchen/breakfast room, over kitchen sink, dining room, living room, family room, upper hall & all bedrooms as per plan.
- Finished Bathrooms receive a wall mounted light fixture above the mirror.
- Each bathroom sink will have its own light fixture. So, if your vanity has a double sink in the main bath or ensuite the vanity will come with two lights not just one.
- Two exterior water taps with locations to be determined by the builder.
- High Efficiency AFUE 96% forced air furnace utilizing clean and efficient natural gas.
- Super High Efficiency Power Vented 0.96 EF **tankless natural gas rental hot water heater**.
- **Life Breath (or equivalent) ERVD**, Simplified installation (sized to home)
- Furnace, rental hot water tank, and ERVD location to be determined by heating or plumbing contractor at the time of installation.
- All supply ductwork sealed for maximum energy savings.

ALSO INCLUDED

- Ductwork already sized for future Air Conditioning.
- **2 piece basement bathroom rough-in.**
- **Conduit from Electrical Panel to garage for ease of future electric vehicle charger installation.**

BUILDER GUARANTEE

- Forest Park Homes limited has built hundreds of homes of the highest quality for over 20 years. The company is an excellent rated builder and we offer a complete and comprehensive Customer Service Program which includes:
 - A detailed pre-delivery inspection with one of our experienced and knowledgeable Service Coordinators who will thoroughly explain the various systems built into your new home.
 - A seven year warranty on major structural defects.
 - Two year warranty on major systems, including heating, plumbing, electrical & the building envelope.
 - One year comprehensive warranty.
- All construction will meet or exceed the specifications of the Ontario Building Code.

GENERAL

- Presentation plans & model home may show optional features, which are not included in the base price.
- Material specifications & floor plans are subject to change without notice.
- All house renderings are artists' conceptions and all floor plans are approximate in dimension.
- The Seller reserves the right to reverse the floor plan on the proposed property if necessary.
- The Ontario New Home Warranty Program's enrollment fee is to be paid by the Buyer as an adjustment on closing.
- **The purchaser acknowledges and agrees that the Purchaser is not relying upon any representation or warranty whatsoever arising out of any conversation with the Sales Representatives of the vendor, at any time, other than as expressed in writing in the Agreement of Purchase and Sale, the Colour Selections and Optional Extras Agreement, and this Quality Appointments Document. The Purchaser further acknowledges that this clause has specifically been drawn to the Purchaser's attention.**
- Two storey plans will require bulkheads to distribute heating and plumbing to the second floor. Location and size determined by the Builder.
- Due to ongoing supply shortages, manufacturing and transportation delays within the building/building supplies sector it is possible that substitutions to some of the items listed in this Specification Sheet may become necessary. All substitutions will be of equal or greater quality than the original specification.
- Electrical Panel location will be determined by the builder and will either be in the basement or the garage.
- Basement and stairwell to basement to remain unfinished.
